

SAFARI MURCHISON FALLS NATIONAL PARK, ***3days/2nights***

Day 1: Kampala – Murchison Falls

An early departure after breakfast, driving North West of Kampala through Luwero triangle, Lunch en route, and then proceed to the top of Murchison Falls where river Nile explodes violently through a narrow gorge and falling a distance of 43 meters making a thunderous rain fall is a unique experience.

Day 2: Game drive in the park.

After breakfast, you will go for a morning game drive following the Buligi track. This is the park's prime savannah game viewing area, where you will have chances of viewing the big 5, lions, Elephants, Buffalos, Leopard and others like Hyenas, Giraffes, Uganda Kobs, Jackson heart beast Birds, sightseeing and many interesting features.

In the afternoon go for a boat cruise on the Nile for 3-4 hours, cruise up to the bottom of the falls. Expect to see a variety of water bird species, such as the Egyptian goose, Fish eagle, white cormorants etc, the Nile Crocodiles, Hippos, water bucks and Elephants quenching the afternoon thirst. Jump off the boat at the foot of the water fall, you will meet a guide who will guide through the hiking trail up the cliff. On top of the cliff will view the water falls take pictures and return to the lodge for you last night in the Park.

Day 3: Murchison Falls – Kampala

After breakfast, you will return to Kampala. Stopover at the Ziiwa Rhino Sanctuary, to view the white Rhinos. Uganda's Rhinos became extinct in early 1980's, after a period of civil unrest and heavy poaching. The farm has now been established to restore Rhino populations in Uganda's protected areas in the near future.
